Now serving your customers food at the bar is easier with EZ Bar Trays!

Let your customers dine at the bar with comfort and ease. No longer bending forward awkwardly to reach their dinner plate. Try EZ Bar Tray once and your customers will never want to eat at the bar without one.

Within our web pages we will explain how the tray is used, show demonstration photos, and explain how to order your own custom-made EZ Bar Trays for your restaurant's bar.

SERVE AT THE BAR

Dinner plate is now same distance from you as it is at your table.
